Kids Against Hunger

For the second year, CTSLC is participating in a “Kids Against Hunger” packaging event on April 14, 2018. We expect to package at least 4000 meals during this event, which will be shipped to Honduras for distribution to very needy children. CTSLC commitment is to pay for the food products to be packaged, \$0.25 per meal, and to supply the workers needed to package these meals.

CTSLC’s part is to fund the cost of the meals. Thrivent Financial has generously committed to match our funding, doubling the number of meals that we can send to Honduras.

The Council has authorized that donations received from our “Second Sunday of the Month” envelope for: the Samaritan Inn, AMA Food Pantry and Family Promise be redirected to meet the CTSLC participation amount. This is a one-time re-direction of funds to feed the hungry. In addition, we also may direct funds to this project through the CTSLC web site. Go to the "Simply Giving" Tab and then the "DONATE" button, where you will find the opportunity to donate to Kids Against Hunger.

Look for sign-up opportunity in March to package meals and please give generously; the more we raise, the more meals we can pack.
